Busy Making Cupcakes is now offering stress free party packages.

Imagine not having to worry about what baked goods you are going to put on the table on your child's special day.

I love what I do, it brings me great pleasure to provide all the busy Mums and Dads out there with delicious party food that your children will love. All you have to do is make the fairy bread, sit back, relax and enjoy the party.

Photos of the princess theme and pirate theme can be seen on our website, Facebook page and Instagram. These are just examples and can be customised to suit endless themes and colours.
